

POOL4TOOL is the leading international eBusiness solution to optimize all processes in sales, collaboration, purchasing and CRM (please visit www.pool4tool.com)

To enlarge our young, dynamic team we are searching for a full-time and well-experienced

Sales Representative for Asia

Your Responsibilities:

- Answering and qualification of incoming web- and phone-requests
- Find and acquire new customer opportunities and achieve a pre-defined number of closed business contracts
- Serve regional customers and expand the client base
- Monitor the market and investigate new market opportunities

Required Skills and Experience:

- Fast comprehension and willingness to learn
- Very good command of English language (written and verbal)
- Toughness
- High self motivation and personal responsibility
- Well-organized
- Readiness to travel
- Practical sales experience of at least five years
